IMPORTANT PARTY INFORMATION

Check In

PLEASE TELL ALL YOUR GUESTS TO VISIT www.thefunzonearcade.com AND FILL OUT A WAIVER BEFORE THE PARTY. All people (adults & kids) are required to fill out a waiver before they can come inside.

Arrive at the Fun Zone 5 minutes before your scheduled 2 hour party time (let your guests know what time you'll get here and to not be late). Please don't bring in cake & supplies etc until the first hour of your party is over. The eating tables are not ready until your seating time, so there will be no place to store your stuff until then. Our 2 hour parties start with 1 hour of bouncing, followed by 45 minutes of table time for food and presents etc. Full tummies and bouncing don't mix, this is why we don't bounce after eating. When you enter the front door, drop off your completed guest list. Remember, your guests cannot enter until we have the list, and an adult has signed a waiver electronically. List only the names invited to your party (children 1-12 and under 60" tall that you agree to pay for if they attend). Any names not listed on your guest list will be responsible for paying their own admission fees. ALL children 1-12 will count as one guest. Parents 18 & older and babies under 1 are the only free spectators, and if they are not on the list they won't receive any food etc that is included in your package. All babies must be in a stroller or baby carrier for safety please. Seating is provided for guests attending on the guest list, not for spectators. We developed this check in system so you are not put in the position of paying for "uninvited" guests, and to cut down on confusion! All guests on your list that arrive will receive a special wristband upon check-in; which allows them to receive a pair of grip socks along with the items included in your package, and signifies them as a party guest.

Food

Drinks, (plus pizza and ice cream if included in your party package), are served together about an hour into the party for the amount of guests with wristbands. If you would like to add pizza, the amount of whole pizzas needed must be given to us via email or in person at least 24 hours before your party. It's also very important that all guests have arrived on time for an accurate food count. Party favor bags, tokens & glow items (if included in your package) are delivered together after eating pizza, drinks, ice cream, and cake; usually about 15 minutes before the end of your seating time. Tokens and party bags would be lost if they were given out while the kids were on the inflatables. Extra sodas for adults and everything in our Snack Bar and Stuff Shop can also be added to the party tab and delivered to you.

1. Your scheduled party time is exact, it cannot be moved forward or backward for any reason. Other parties are scheduled before/after yours and we are simply unable to change times. Please be on time.
2. Please note: NO ICE CREAM, FOOD, OR DRINK MAY BE BROUGHT IN FROM OUTSIDE, OTHER THAN YOUR BIRTHDAY CAKE/CUPCAKES. ALL cancellations and reschedules are subject to forfeit of your deposit.
3. *PLEASE MAKE SURE YOUR GUESTS KNOW WHAT TIME YOUR PARTY BEGINS & ENDS*
4. PLEASE PAY YOUR PARTY BILL WHEN YOUR HOSTESS DELIVERS THE "CHECK".

If you have any questions or special needs, please advise your party specialist and they will assist you. We hope that your party will be very special and memorable at the Fun Zone!
